Bernwode Schools Trust is a Multi-Academy Trust which incorporates The Cooper School (TCS) and Glory Farm Primary School (GFPS). It is a company limited by guarantee, registered in England and Wales with registered company number 09053713 and its registered address at Churchill

1.0. Introduction

The Trust Board regards the Bernwode Schools Trust buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible.

However, the overriding aim of the Board of Trustees is to support the Trust in providing the best possible education for its students, and any lettings of the premises to outside organisations will be considered with this in mind.

Our Lettings Policy will seek to ensure that any adults who are working with children involved in a letting are suitable to do so, as per safeguarding procedures.

Community users organising activities for children must be aware of and understand the need for compliance with our schools' child protection policies and procedures.

The Academy's delegated budget (which is provided for the education of its students) will not be used to subsidise any lettings by community or commercial organisations. A charge will be levied to meet the additional costs incurred by the Academy in respect of any lettings of the premises.

As a minimum, the actual cost to the Academy of any use of the premises by an outside organisation must be re-imbursed to the Academy's budget.

2.0. Definition of a Letting

A letting may be defined as "any use of the Academy premises (buildings and grounds) by either a community group (such as a local music group or football team), or a commercial organisation (such as the local branch of 'Slimming World')".

A letting must not interfere with the primary activity of the Academy, which is to provide a high standard of education for all its students. Use of the premises for activities such as staff meetings, parents' meetings, Academy Committee meetings and extra-curricular activities of students supervised by Academy staff, fall within the corporate life of the Academy.

Costs arising from these uses are therefore a legitimate charge against the Academy's delegated budget.

3.0. Charges for a Letting

The Board of Trustees is responsible for setting charges for the letting of the Academy premises.

A charge will be levied which covers the following:

- Cost of services (heating and lighting);
- Cost of staffing (additional security, caretaking and cleaning) - including "on-costs";
- Cost of administration;
- Cost of "wear and tear";
- Cost of use of Academy equipment (if applicable);
- Profit element (if appropriate).

The specific charge levied will be reviewed annually, during the summer term, by the Finance, Audit & Risk Committee, for implementation from the beginning of the next financial year, with effect from 1st September of that year.

Current charges will be provided in advance of any letting being agreed:
See Appendix C – Pricing for 2019/20 and 2020/21 and 2021/22.

4.0. Value Added Tax

In general, the letting of rooms for non-sporting activities is exempt of VAT, whereas sports lettings are subject to VAT (although there are exemptions under certain

circumstances). For specific lettings, clarification will be sought from the Finance Manager.

5.0. Management and Administration of Lettings

The Chief Financial Officer is responsible for the management of lettings, in accordance with the Governing Body's policy. Where appropriate, the Chief Financial Officer may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for the lettings process. Therefore, the day to day management of lettings has been delegated to the Estate Manager.

If the Estate Manager has any concern about whether a particular request for a letting is appropriate or not, he will consult with the Chief Financial Officer (or alternative, as appropriate), who is empowered to determine the issue on behalf of the Governing Body.

6.0. The Administrative Process

Organisations seeking to hire the Academy premises should approach the Estate Manager (or other designated member of staff), who will identify their requirements and clarify the facilities available.

An Initial Request Form (a copy of which is attached to this policy) should be completed at this stage. See point 12: Appendix A of this document. The Governing Body has the right to refuse an application, and no letting should be regarded as "booked" until approval has been given in writing.

No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been formally confirmed.

Once a letting has been approved, a letter or e-mail of confirmation will be sent to the hirer, setting out full details of the letting and enclosing a copy of the terms and conditions and the hire agreement.

The letting should not take place until the signed hire agreement (See point 13: Appendix B) has been returned to the Academy.

The person applying to hire the premises will be invoiced for the cost of the letting, in accordance with the Trust Board's current scale of charges. (The Academy may wish to seek payment in advance in order to reduce any possible bad debts.)

The hirer should be a named individual and the agreement should be in their name, giving their permanent private address. This avoids any slight risk that the letting might be held to be a business tenancy, which would give the hirer security of tenure.

All lettings fees which are received by the Academy will be paid into the Academy's individual bank account, in order to offset the costs of services, staffing etc, (which are funded from the Academy's delegated budget). Income and expenditure associated with lettings will be regularly monitored to ensure that at least a "break even" situation is being achieved.

The Academy reserves the right to request a holding (non-returnable) deposit of 25% of the cost of the total charge, for lettings which involve large outlay in terms of management time or potential costs which cannot be reclaimed. This will be discussed with the hirer when a request for a letting has been received.

7.0. Public Liability and Accidental Damage Insurance

As a requirement under the terms and conditions, the Academy requires a copy of the hirer's public liability cover (minimum cover of £5m) ahead of the letting commencing.

8.0. TERMS AND CONDITIONS FOR THE HIRE OF THE ACADEMY PREMISES

All terms and conditions set out below must be adhered to.

The "Hirer" shall be the person making the application for a letting, and this person will be personally responsible for payment of all fees or other sums due in respect of the letting.

8.1. Status of the Hirer

Lettings will not be made to persons under the age of 18. The hire agreement is personal to the hirer only, and nothing in it is intended to have the effect of giving exclusive possession of any part of the Academy to them or of creating any tenancy between the Academy and the hirer.

Persons may have to undergo, at the discretion of the Governing Body, a criminal record check via the Disclosure and Barring Service (DBS) check. www.dbsassist.co.uk/uccheck/

If a particular letting involves contact with the Academy's students, all personnel involved must undergo a DBS check, in accordance with BST guidance. These checks must be made by prior arrangement with the Estate Manager, with at least a month's notice in advance to ensure that the checks can be carried out in time. This information is confidential and will be forwarded to the HR Manager for the BST.

Any adults working with the Academy's students (for example, at an after school sports club) must be appropriately qualified through their respective National Governing Bodies for their sport and evidence supplied to the BST upon request.

8.2. Priority of Use

The Estate Manager will resolve conflicting requests for the use of the premises, with priority at all times being given to Academy functions.

8.3. Attendance

The Hirer shall ensure that the number of persons using the premises does not exceed that for which the application was made and approval given.

8.4. Behaviour

The Hirer shall be responsible for ensuring the preservation of good order for the full duration of the letting and until the premises are vacated. The Academy reserves the right to cancel any booking with immediate effect where behaviour is not acceptable.

8.5. Public Safety

The Hirer shall be responsible for the prevention of overcrowding (such as would endanger public safety), and for keeping clear all gangways, passages and exits.

The Hirer shall be responsible for providing adequate supervision to maintain order and good conduct, and - where applicable - the Hirer must adhere to the correct adult/pupil ratios at all times. This should be documented in their Risk Assessment. Please see point 8.27.

8.6. Own Risk

It is the hirer's responsibility to ensure that all those attending are made aware of the fact that they do so in all respects at their own risk. It is the hirer's responsibility to ensure that fire procedures are understood and communicated, prior to the commencement of the hire.

8.7. Damage, Loss or Injury

The Hirer warrants to the Board of Trustees that it has appropriate public liability insurance to cover all its legal liabilities for accidents resulting in injuries to persons (including all participants in the activity for which the premises are being hired), and/or loss of or damage to property, including the hired premises, arising out of the letting. The minimum limit for this insurance cover is £5m.

The Hirer must produce the appropriate certificate of insurance cover before the letting can be confirmed.

The Academy will **not** be responsible for any injury to persons or damage to property arising out of the letting of the premises.

8.8. Furniture and Fittings

Furniture and fittings shall not be removed or interfered with in any way. No fittings or decorating of any kind necessitating drilling, or the fixing of nails or screws into fixtures which are part of the Academy fabric, are permitted. In the event of any damage to premises or property arising from the letting, the Hirer shall pay the cost of any reparation required.

8.9. Academy Equipment

This can only be used if requested on the initial application form, and if its use is approved by the Estate Manager. Responsible adults must supervise the use of any equipment which is issued and ensure its safe return. The Hirer is liable for any

damage, loss or theft of Academy equipment they are using, and for the equipment's safe and appropriate use.

8.10. Electrical Equipment

Any electrical equipment brought by the Hirer onto the Academy site **MUST** comply with the code of practice for portable electrical appliance equipment. Equipment must display a portable appliance test label from a qualified electrical engineer. The intention to use any electrical equipment must be notified on the application. The BST reserves the right to prevent the use of electrical equipment which is not tested and to request details of all electrical equipment being brought onto site, ahead of the booking taking place

8.11. Car Parking Facilities

Subject to availability, these may be used by the Hirer and other adults involved in the letting.

Pedestrian and Vehicular School Gates (The Cooper School only) –

The hirer is to receive instruction from the Estate Manager or a member of the Estate Team on the opening hours of both the pedestrian gate and the vehicular gate, where this affects the booking. The opening of both gates is to be kept to a minimum during and at the end of a booking, in order to maintain the security of the school site.

8.12. Toilet Facilities

Access to the Academy's toilet facilities is included as part of the hire arrangements.

8.13. First Aid Facilities

There is no legal requirement for the Academy to provide first aid facilities for the Hirer. It is the Hirer's responsibility to make their own arrangements, such as the provision of first aid training for supervising personnel, and the provision of a first aid kit, particularly in the case of sports lettings. The requirement for first aid facilities should be included in the hirer's risk assessment.

Use of the Academy's first aid resources on site e.g. first aid kits will not be charged, should first aid be required.

8.14. Food and Drink

No food or drink may be prepared or consumed on the property without the direct permission of the Academy, in line with current food hygiene regulations. All litter must be placed in the bins provided.

8.15. Intoxicating Liquor

No intoxicants shall be brought on to or consumed on the premises.

8.16. Smoking

The whole of the Academy premises internal buildings are non-smoking areas and smoking is not permitted.

8.17. Heels and Shoes

No stiletto or any type of thin heel is to be worn in the Performance Hall, Sports Hall or Gym. If activities involve outdoor use, participants should ensure footwear is cleaned before entering the premises.

8.18. Copyright or Performing Rights

The Hirer shall not, during the occupancy of the premises, infringe any subsisting copyright or performing right, and shall indemnify the Academy against all sums of money which the Academy may have to pay by reason of an infringement of copyright or performing right occurring during the period of hire covered by this letting agreement.

8.19. Sub-letting

The Hirer shall not sub-let the premises to another person or organisation.

8.20. Charges and Invoicing

Hire charges are reviewed at least annually. Please see point 14: Appendix C.

- Regular fixed lettings: The Academy Finance Office will invoice the hirer quarterly for block lettings.
- Single lettings: The Academy Finance Office will invoice the hirer for the one-off lettings as soon as the letting is completed.

8.21. Variation of Scales of Charges and Cancellations

The Hirer acknowledges that the charges given may be increased from time to time (they will be reviewed by the Board of Trustees on at least an annual basis) and that the letting may be cancelled, provided that in each circumstance at least 28 days' notice either way is given.

It is the Hirer's responsibility to notify parents in person, writing or by e-mail of any changes in dates as a result of any cancellations.

8.22. Security and Site Supervision

The Academy will, for the majority of lettings, pay for a person to be responsible for the security and supervision of the premises before, during and after the hire, and for the cleaning of the premises after its use. This cost will be included in the charge for the letting.

For a limited number of lettings and with the written agreement of the Academy, the hirer may operate the security system and be granted a key to the academy premises. This key is only to be used for the purpose of locking the building at the end of the hire period, where a key holder is not present.

This key is only provided for the duration of the booking and must be returned to the Academy, when the letting period expires. The key is not to be given to anyone other than the person who signs the Facility Security Agreement (See Point 16. Appendix E). Training will be provided by the Academy with regards to the security of the building and alarm/key access.

If keys are lost whilst in the hirer's possession, the Academy reserves the right to charge the hirer for the cost of the key and any further works which may be required, e.g. the cost of replacing a suite of locks and keys in a building. A key issue form needs to be completed. (See Point 15. Appendix D).

It is important to note, that the responsibility for unsecured buildings and any subsequent costs e.g. loss of Academy equipment rests clearly with Bernwode Schools Trust and the Trust reserves the right to request a 'loaned' key to be returned at any point in time, where the security of the Academy is compromised.

8.23. Right of Access

The Board of Trustees reserves the right of access to the premises during any letting. The Estate Manager or members of the Estate Team may monitor activities from time to time.

8.24. Conclusion of the Letting

The Hirer shall, at the end of the hire period, leave the accommodation in a reasonably tidy condition, all equipment being returned to the correct place of storage. If this condition is not adhered to, an additional cost may be charged.

8.25. Vacation of Premises

The Hirer shall ensure that the premises are vacated promptly at the end of the letting. The Hirer is responsible for supervising any children taking part in an activity until they are collected by a responsible adult. In the event of an emergency, occupants must refer to the emergency procedures outlined in point 17.

The Hirer must have immediate access to participants' emergency contact details, and have access to a personal mobile phone in the event of an emergency. Hirers are

responsible for familiarising themselves with emergency exits and must ensure that participants are aware of evacuation procedures.

The Estate Team will be able to assist and confirm arrangements with the hirer including arrangements for fire evacuation and first aid.

8.26. Promotional Literature/Newsletters

Where organisations wish to promote their booking with the provision of promotional literature this must be approved by the Estate Manager in advance of the letting.

8.27. Risk Assessment

The Academy will request a Risk Assessment which covers the hire of the facility and identifies hazards which the hirer needs to be aware of and know the control measures to follow, if required. A Risk Assessment will be supplied by the BST and a discussion held with the hirer to ensure the hirer is clear of actions to be taken in the event of an emergency e.g. fire or first aid incident.
